FROM: James A. Davenport, Executive Director

DATE: February 27, 1995

SUBJECT: **SB 1534 - HB 1577**

This bill amends the Chiropractic Practice Act relative to the Board of Chiropractic Examiners. The bill changes the composition of the current board from 5 chiropractors and 2 consumer members to 6 chiropractors and 1 consumer member. The bill increases board member's per diem from \$50 to \$100 and increases the Secretary of the Board's part-time monthly salary from \$100 maximum to \$200 maximum in addition to per diem. This bill also provides that the Board's consultant will be compensated at a rate not to exceed \$200 per month in addition to per diem.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$7,200. The department has indicated that current revenues generated should be sufficient to absorb such additional expenses.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
